ABOUT WESTERN STAR TRUCKS (NORTH)

OUR MISSION

Whether it's driving down the highway or getting dirty out in the field, our mission is to keep your trucks where they belong. At Western Star Trucks (North), we take care of our customers and their trucks every step of the way by minimizing downtime and maximizing comfort.

Western Star Trucks (North) Ltd. is a family owned and operated group of companies.

The doors opened spring of 1984 in Edmonton, Alberta, then expanded quickly with the purchase of Western Star Trucks in 1987. The company provided the new area with quality trucks and unmatched service over the years. The Grande Prairie location opened as a parts store in 1998, then once again quickly grew to a full service Western Star and Freightliner Dealership by 2002. The Group of Companies knew it needed to expand further so in 2016 a state-of-the-art facility was built on 20 acres of land in the Acheson Industrial Park.

To further serve customers, two expansions happened in 2018: a full service Dealership was opened in Fort McMurray and Custom Vac Services Ltd. was acquired.

One Team. Best Team

Western Star Trucks (North) Ltd. is a group of companies that is proud to be more than a truck dealership. We are a one stop shop with a mission to provide superior service to our customers.

Our Edmonton and Grande Prairie locations are Elite Support certified, delivering unmatched customer service and efficiency every time a truck comes in for maintenance or repair.

In this ever-changing industry, you can rely on Western Star Trucks (North) to grow with your business.
